

Val Floren Brewer & Family

Val Floren Brewer is an accomplished accordionist, big-band entertainer, music teacher, and the sister of the Lawrence Welk Show star, Myron Floren. Val taught accordion students in Sioux Falls, South Dakota with her brother Myron and later, many students in her new home of Sacramento, California. In her early years of marriage, Val was the only woman instrumentalist performing with an all male "big band". While carrying son-to-be Jan, she played with the band in Minnesota, Iowa, Nebraska, and South Dakota. Jan, a professional drummer, attributes his great sense of rhythm to his very early musical training. Val has been entertaining audiences in Northern California for over 40 years.

In most recent years, Val Floren Brewer has enjoyed performing with her son **Jan Brewer**, a retired school principal and professional drummer for over 30 years. Jan, the emcee and percussionist for their program, shares some delightful stories about his uncle Myron and the Lawrence Welk Band. Val's daughter-in-law **Carole Brewer**, a professional singer, voice teacher, and inspirational speaker, adds beautiful vocals and piano accompaniments for a finishing touch to their presentations. **Val Floren Brewer & Family** entertains with a variety of musical styles including popular standards, inspirational songs and hymns, sing-a-longs, and of course, great toe-tapping polkas!
